We are also planning a *Cookbook Club*. We would have a theme for each time we meet which could be recipes from a certain cookbook or recipes from a certain country or part of the world. Everyone would make a dish to share within the theme and we would have a feast at the library.

Participants should like to cook and be have adventurous taste buds. Please call the library to let us know if you would be interested.

And don't forget that if you like to volunteer, the *Friends of the El Paso District Library* is a group of dedicated volunteers who promote library advocacy and fundraising.

We also offer numerous activities for children, ask if you are interested.

All of the items listed on these pages are library supported events!
